REMARKS

Claims 1 to 43 were allowed in the above-identified application. Applicant has amended claims 11, 15, 16, 18, 22, 26, 27, 31, and 36. Claims 1 to 43 remain pending.

Specification

Applicant has amended paragraphs [0053] and [0074] to correspond to Fig. 3. Support for the amendment is found in Fig. 3, where reference letters AK indicate the narrowest width of pad 636 near gap 609 of mirror.

Claims

In preparation to pay the issue fee, Applicant discovered ambiguities and typographical errors in the claims. Applicant has amended claims 11, 15, 16, 18, 22, 26, 27, 31, and 36 to remove the ambiguities and the typographical errors in the claims as follows.

Applicant has amended claim 11 to use the same claim term of "the first plurality of stationary comb teeth" as recited in intervening claim 8.

Applicant has amended claim 15 to use the same claim term of "the rotational axis" as recited in base claim 1.

Applicant has amended claim 16 to depend from claim 12 to provide antecedent basis for "the second and the third pluralities of stationary comb teeth."

Applicant has amended claim 18 to clarify that the recited pad is an additional bonding pad.

Applicant has amended claim 22 to clarify that the third plurality of stationary comb teeth is connected to an additional bonding pad and not one of the previous recited bonding pads.

Applicant has amended claim 26 to provide antecedent basis for the recited crossbeams.

Applicant has amended claim 27 to clarify that the third plurality of stationary comb teeth is connected to an additional bonding pad and not one of the previous recited bonding pads.

Applicant has amended claim 31 to correctly identify the first and the second pluralities of stationary comb teeth, and to use the same claim term of "the rotational axis" as recited in base claim 22.

Applicant has amended claim 36 to be consistent with amended claim 22 and to clarify the claim language.

Summary

Claims 1 to 43 were allowed in the above-identified application. Applicant has amended claims 11, 15, 16, 18, 22, 26, 27, 31, and 36 to remove ambiguities and typographical errors. Applicant respectfully requests the Examiner to allow claims 1 to 43. Should the Examiner have any questions, please call the undersigned at (408) 382-0480x206.
